Design Your Own

Once connected, scroll to see projects!

Once you decide on the design you want, select it.

Start Designing!
Set up your design by selecting orientation & setting dimensions.

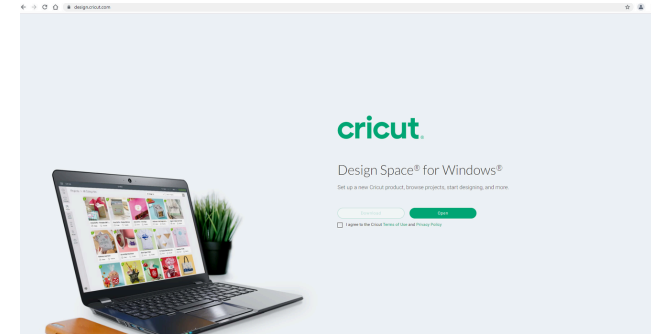

Next, add your design.
Once happy, select Done.

Now it's time to prep!
Select your material, put it on the mat & Select Make It

Cricut Joy on a Computer

If you are using a computer, you must use a Bluetooth-enabled Windows or Mac computer.

There is no Bluetooth adapter included.

On computer, Cricut Joy must use Design Space.

Download Design Space via the Cricut website.

Once downloaded, create or sign into your Cricut account.

Now start designing!
